

WebArena Complete real tasks on self-hosted websites

a The world

Also: map, calculator, scratchpad and reference sites

 Shopping

 Forum

 Code hosting

 Content admin

Goal Ask a suitable forum whether a car is necessary in New York City.

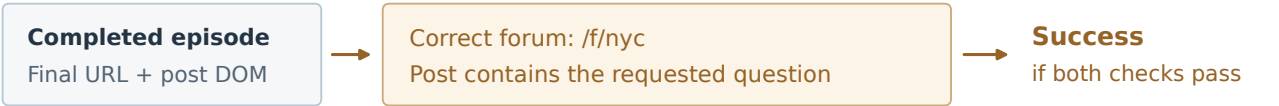

b One interaction

After navigation and typing · schematic UI / actions

c Functional evaluation

At completion · evaluator-only reference checks

Task 601, WebArena v0.2.0. UI, element ID and single-step sequence are illustrative; no agent run.
Observations: URL / tabs + screenshot, HTML or accessibility tree. Target ID [42] illustrates the latter.
